INTRODUCTION

Vision:

Improving the life of the vulnerable person

Mission:

Transforming care through developing and sharing innovative education

Purpose:

In a world dominated by an ageing society, the demand for the provision of care that older people expect and deserve is rapidly outstripping current support staff numbers and ability. Kalandra's purpose is to meet that demand and, by extending Health Care Assistant knowledge and skills, to optimise the standard of care received by aged people in New Zealand and internationally. Kalandra is built on a value system that holds caring, respect and knowledge at its core

Why Kalandra?

Transparent - no hidden fees! No admin fees if visas are not granted.

Clear policies regarding refunds, assessments and expectations.

History - long history in the provision of healthcare training as well as in the healthcare industry.
